

# Approval for this bulletin

Subject to priorities defined by the Technical Council and the Presidium, the results of the *fib*'s work in commissions and task groups are published in a continuously numbered series of technical publications called *bulletins*. The following categories are used:

**Category:**

Technical report  
State-of-the-art report  
Manual / Guide to good practice / Recommendation  
Model code

**Approval by:**

Task group and chairpersons of the commission  
Commission  
Technical Council  
General Assembly

Any publication not having met the above requirements will be clearly identified as a preliminary draft.

*fib* Bulletin 90 was approved as a technical report by Commission 5 *Reinforcements* and Task Group 5.1 "Reinforcement for concrete structures".
