

# Contents

Preface	i
Terminology	1
1. Introduction	6
1.1 Background	6
1.2 Through-Life Management Concepts	6
1.3 Durability Design	8
2. Documents	11
2.1 Birth Certificate	11
2.2 Re-Birth Certificate	12
2.3 Document Organization	12
2.3.1 Structure Identification	12
2.3.2 Durability Specifications and Standards	13
2.3.3 Environmental Exposure Summary	14
2.3.4 Deterioration Mechanisms and Models	15
2.3.5 Construction Materials	17
2.3.6 Durability Tests	20
2.3.7 Structure Component Durability Data	23
2.3.8 Conservation Plan (In-Service Maintenance, Inspection & Monitoring, or Condition Survey & Assessment)	34
References	39
Appendix A	41
Appendix B	62
